

Alma Mater

(The audience is invited to participate.)

Far above the rolling campus,
Resting in the dale,
Stands the dear old Alma Mater
We will always hail.
Shout in chorus, raise your voices,
Blue and Gold - praise you.
Winning through to fame and glory,
Dear old M-S-U.

Morehead State University

Class of 2017

Spring Commencement

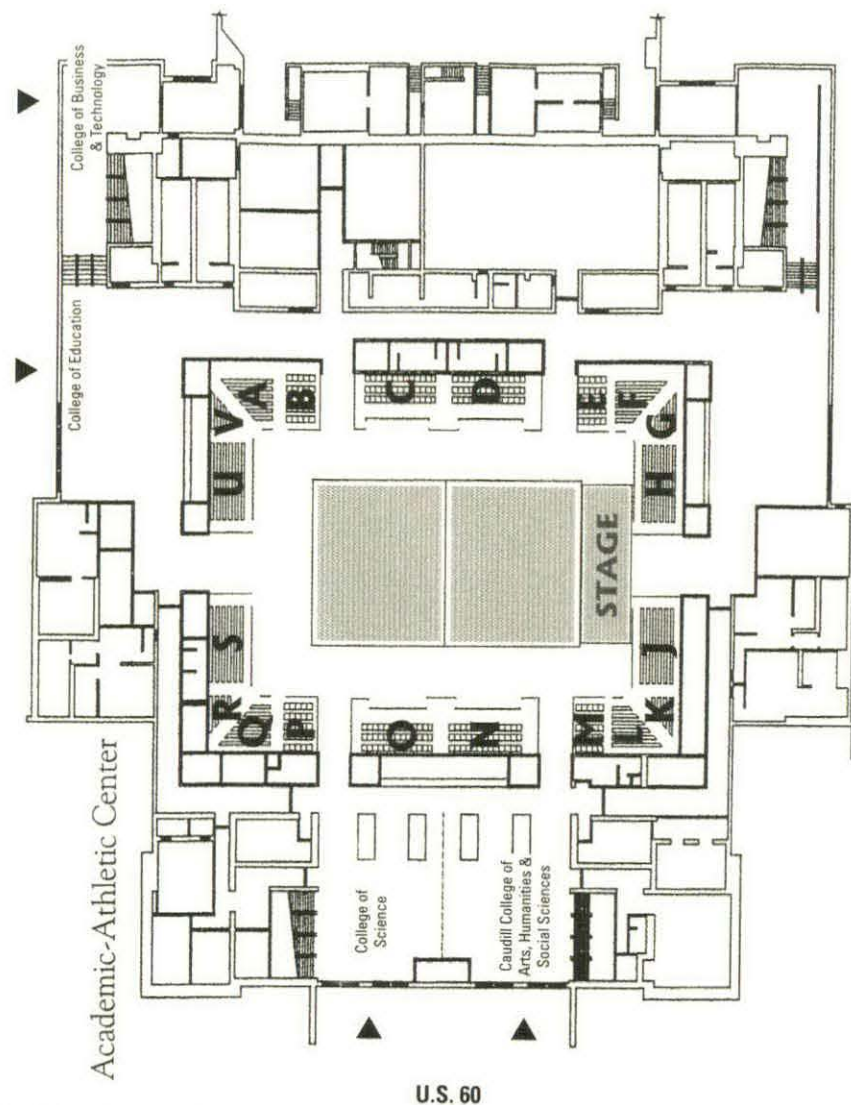

Saturday, May 13, 2017

The Program

Spring Commencement
Saturday, May 13, 2017 - 10 a.m.
Academic-Athletic Center

Processional	Pomp and Circumstance by Elgar Mr. William Murphy, Piano
Special Music	Mr. Will Young
National Anthem	MSU Chamber Singers Words by Francis Scott Key Music by John Stafford Smith Dr. Greg Detweiler, Conductor
Opening of Ceremony	Dr. David Eisenhower Grand Marshal and Mace Bearer
Welcome and Introductions	Dr. Wayne D. Andrews President
Recognition of Retiring Faculty	Dr. Steven Ralston Provost and Vice President for Academic Affairs
Special Music	MSU Concert Choir Dr. Greg Detweiler, Conductor
Arise	Stephen Chatman
Irish Blessing	Traditional arr. Graeme Langager
Commencement Address	Ms. Jasmine Olivia Prince Student Representative
Remarks	President Andrews
Presentation of Candidates for Degrees	Dr. Steven Ralston Provost and Vice President for Academic Affairs

Safety Notices

- To ensure your safety during today's ceremony, please take note of the following:

Presentation of Honorary Doctoral Degrees.....	Mr. Paul C. Goodpaster Chair, MSU Board of Regents
	Dr. Joseph W. Craft III, Honorary Doctor of Public Service Dr. Kelly Knight Craft, Honorary Doctor of Public Service
Response	Dr. Joseph W. Craft III Dr. Kelly Knight Craft

Academic fields may also be indicated by the color of velvet on the doctoral gowns; three two-inch bars on the sleeves and a five-inch border extending from the back of the neck down the two sides in front. For the degree of Doctor of Philosophy, the color is dark blue; for Doctor of Medicine, green; for Doctor of Education, light blue; for Doctor of Science, golden yellow. These colors also appear in the velvet of the hood unless the hood represents an honorary degree. The Doctor of Laws has purple velvet. The Doctor of Humanities is white, as is the Doctor of Letters. The Doctor of Public Administration has a hood with velvet in pale aqua.

Caps are black. Tassels are usually black for bachelor's and master's degrees, gold for doctorates. Gowns for bachelor's and master's are plain black, but sleeves of the latter are short with "trailing elbows." Doctoral gowns of European universities are usually very colorful. The caps are often of some soft material such as velvet and are ordinarily not of the conventional mortar-board shape. Several examples may be seen in the University faculty:

Arts, Letters, Humanities - white

Commerce, Accountancy, Business - drab

Education - light blue

Engineering - orange

Fine Arts - brown

Journalism - crimson

Law - purple

Library Science - lemon

Medicine - green

Music - pink

Nursing - apricot

Philosophy - dark blue

Physical Education - sage green

Science - golden yellow

Social Science - cream

Theology - scarlet

Veterinary Science - gray

Academic Costumes

The wearing of academic costumes is a custom that goes back to the Middle Ages. Since the early European and English universities were founded by the church, the students and teachers were required to wear distinctive gowns at all times. Although the custom was brought to this country in Colonial days, the requirement for students was soon dropped. The custom for professors was confined to special occasions such as graduation exercises and inaugurations of new presidents. With the increase in the number of educational institutions and the development of new subject-matter fields, some confusion arose in time about the type of gown and the specific color to denote various degrees. To introduce desirable uniformity and set up a clearing house for new developments, a commission representing leading American colleges produced The Intercollegiate Code in 1895. In 1932, a national committee of the American Council on Education revised this code into The Academic Costume Code. It was revised in 1959. Although not obligatory, most of the educational institutions in the country follow it in awarding their degrees, earned and honorary.

The most significant part of the academic dress is the hood. The color of its velvet border indicates the academic field, and it is lined with the color or colors of the institution granting the degree. The hoods of those receiving a Master of Arts or an honorary degree of Doctor of Letters have those same color indications, but each successively higher degree carries with it a longer hood. The doctoral hood also has side panels on the back.

Although most doctoral gowns are black with black velvet bars and panels, in some cases the color of the gown is that of the university conferring the degree. All such gowns have black bars and panels.

Ushers

*Ushers serving for today's ceremonies are students currently attending Morehead State University.
The ushers are wearing royal blue robes.*

College Receptions

Refreshments for graduates and their families, hosted by each college's dean and faculty, will be served immediately following commencement. For reception locations, please refer to the map located on the inside back cover of your program. Receptions are co-sponsored by the MSU Alumni Association Inc.

The University Mace

The practice of carrying a mace in academic processions dates to medieval times in England when a person bearing a mace, a formidable weapon, walked in front of the highest-ranking official as they entered and departed ceremonial occasions, to protect him or her from personal injury.

As adapted by European and American universities, the mace has become a symbol of office to the institution's president and is carried by a distinguished member of the faculty. At Morehead State, the joint office of faculty grand marshal and mace bearer is held by the current recipient of the Distinguished Teacher Award.

The mace of Morehead State University was fashioned from Eastern Kentucky walnut in 1984 by John S. VanHoose, a retired faculty member from the Department of Industrial Education and Technology.

Commencement Profiles

Dr. Wayne D. Andrews, a New England native who made Appalachia his adopted home, has served since Jan. 1, 2005, as the 13th president of Morehead State University.

He is a graduate of Fitchburg State University in Massachusetts, where he earned a B.S. degree in 1974, and of West Virginia University, where he received a master's in 1976 and a doctorate in 1977.

Dr. Andrews has nearly 40 years of higher education experience at three public, comprehensive universities: Morehead State, East Tennessee State and Illinois State. He has served in a variety of roles, including a tenured professorship in engineering technology, department chair, executive assistant to the president, vice president for student affairs, vice president for administration, vice president for administration and chief operating officer, and president. His potential for leadership was recognized in 1993 with his selection as a Fellow of the American Council on Education (ACE).

He was appointed by Gov. Ernie Fletcher and then reappointed by Gov. Steve Beshear as one of Kentucky's five representatives on the Southern Regional Education Board. He has served as president of the Ohio Valley Conference.

He was named to the planning committee of the Shaping Our Appalachian Region initiative and currently serves as Kentucky's representative on the American Association of State Colleges and Universities.

In October 2014, Dr. Andrews was named to the Southern Regional Education Board's Commission on College Affordability in the South, which will focus state policies on the goal of affordability for students.

Dr. Andrews is a U.S. Army veteran whose hobbies include restoration of antique clocks and the singing and playing of traditional music. He and his wife of 43 years, Susan, a retired elementary school reading specialist, have two adult children, Josh and Jill, and three grandchildren, Nico, Luka and Falcon. President and Mrs. Andrews reside on campus in the President's Home, which is listed on the National Register of Historic Places.

Commencement Profiles

Jasmine Olivia Prince of Fairborn, Ohio, is this morning's student speaker. She is the middle of three daughters of Edward and Michelle Prince.

She is a candidate for a Bachelor of Science in Biomedical Science.

Prince has participated in the Undergraduate Research Fellowship program for three years under Dr. Kurt Gibbs in the Department of Biology and Chemistry. The lab where she works studies spinal cord injury and regeneration, using *xenopus laevis* frogs as model organisms.

She received a George M. Luckey Honors Scholarship along with Vera T. Schneider, David DeCarlo Memorial and NCHC Freddie T. Davy scholarships.

She has maintained a 4.0 GPA, has been on the Dean's List every semester, and was honored as a Graduate Dean Scholar.

Prince presented "Beyond a Semester Abroad: Developing Intercultural Competency through Curricular Redesign" at the National Collegiate Honors Council in Denver in 2015.

Prince is a member of Kappa Delta Sorority and has held several leadership positions within her chapter. She was involved in Girl Scouts Workshops, Highway Cleanup and a 5K run to raise money and awareness for Prevent Child Abuse America.

She has been a participant in Best Buddies, served on its leadership team, including serving as the chapter president for a year, and attended a leadership conference.

She also has been a member of the leadership team for the Baptist Campus Ministries for three years, where she was involved in Morehead Gateway Helping Hands Food Bank and Outreach Center along with Christian Social Services.

Prince will attend The Ohio State University College of Medicine in the fall to pursue an M.D.

Commencement Profiles

Kristin Marie Busby of Morehead is this afternoon's student speaker. She is the daughter of Robert and Suzanne Busby of Morehead.

She is a candidate for a Bachelor of Fine Arts and a W. Paul and Lucille Caudill Little Scholar for the Arts.

As an Undergraduate Research Fellow in the Claypool-Young Art Gallery, Busby focused on cultural programming, campus arts leadership and advocacy, and social media marketing. She gained additional arts administration experience as a museum assistant with the Kentucky Folk Art Center, as the cultural and advocacy events coordinator for the Student Programming Board, and as a visual arts intern with Sojourn Arts and Culture in Louisville.

During her time at MSU, Busby was named a Graduate Dean Scholar, honored as an Outstanding Student in Art and Design (2014, 2016, 2017), and received the Award of Exceptional Merit at the Celebration of Student Scholarship (2015, 2016).

Her artwork has been exhibited across the state and published in multiple editions of "Inscape: Art and Literary Magazine" (2014, 2016, 2017). She also made the dean's list every semester.

During a youth delegate exchange program in 2013 for Morehead Sister Cities to Ballymena, Northern Ireland, Busby witnessed the utilization of the arts for conflict resolution. The experience later impacted her research on arts policies for regional development in Eastern Kentucky, which she presented at the 2015 Appalachian Studies Conference in Johnson City, Tennessee. In 2016, Busby was awarded a scholarship from Americans for the Arts, the nation's largest nonprofit arts advocacy organization, to attend their Annual Convention in Boston, Massachusetts. This opportunity led her and fellow classmates, Daniel Edie and Austin Hammonds, to establish the Emerging Arts Leaders of Eastern Kentucky. As the state's first official network, the organization focuses on arts advocacy, networking and professional development for emerging arts leaders in the region.

After graduation, Busby will intern with the Advancement Department in Special Events at the Whitney Museum of American Art in New York City. She plans to use her experiences in arts administration and entrepreneurship to establish a social enterprise in the future.

Commencement Profiles

Joseph and Kelly Craft of Lexington will be presented with Honorary Doctor of Public Service degrees during Spring Commencement.

In 2014, the Crafts pledged \$4 million to establish Morehead State University's Craft Academy for Excellence in Science and Mathematics, a dual-credit residential high school for academically exceptional Kentucky students. The contribution is the single largest cash gift in the history of the University. Since the initial gift, the Crafts have committed an additional \$2.8 million to establish and fund summer programs for Craft Academy students, to enhance staffing, and to improve the overall program.

A Hazard native, Joseph Craft is an entrepreneur, attorney and energy industry leader, as well as a philanthropist. He has served as the president and chief executive officer of Alliance Resource Partners, L.P. since 1999. Craft received an undergraduate degree in accounting and a law degree from the University of Kentucky.

He also is a graduate of the Senior Executive Program of the Alfred P. Sloan School of Management at Massachusetts Institute of Technology.

Kelly Craft is a native of Glasgow. In 2007, she was appointed by President George W. Bush and confirmed by the U.S. Senate as a member of the U.S. Delegation to the United Nation's 61st Session of the General Assembly. She advised the American Ambassador to the U.N. on a range of issues, including U.S. engagement in Africa – a hallmark of the Bush Administration's foreign policy legacy.

She works in a variety of charitable endeavors and currently serves on the Board of Directors of the Salvation Army of Lexington, and the Board of Trustees at the University of Kentucky.

The Craft Academy offers a unique, project-based STEM+X curriculum that enriches the educational experiences and develops competencies in entrepreneurship and innovation, design and creativity, and civic and regional engagement.

Students live on campus in Grote-Thompson Hall, which was remodeled with meeting and social areas, a makerspace, and enhanced 24/7 staffing.

Students are selected based on ACT and SAT scores, academic grades from their first two years of high school, interest in advanced STEM careers, responses to application essay questions, interviews by the Academy selection committee and recommendations from teachers and others who could attest to the student's preparedness for the program.

Alma Mater

(The audience is invited to participate.)

Far above the rolling campus,
Resting in the dale,
Stands the dear old Alma Mater
We will always hail.
Shout in chorus, raise your voices,
Blue and Gold - praise you.
Winning through to fame and glory,
Dear old M-S-U.

Morehead State University

Class of 2017

Fall Commencement

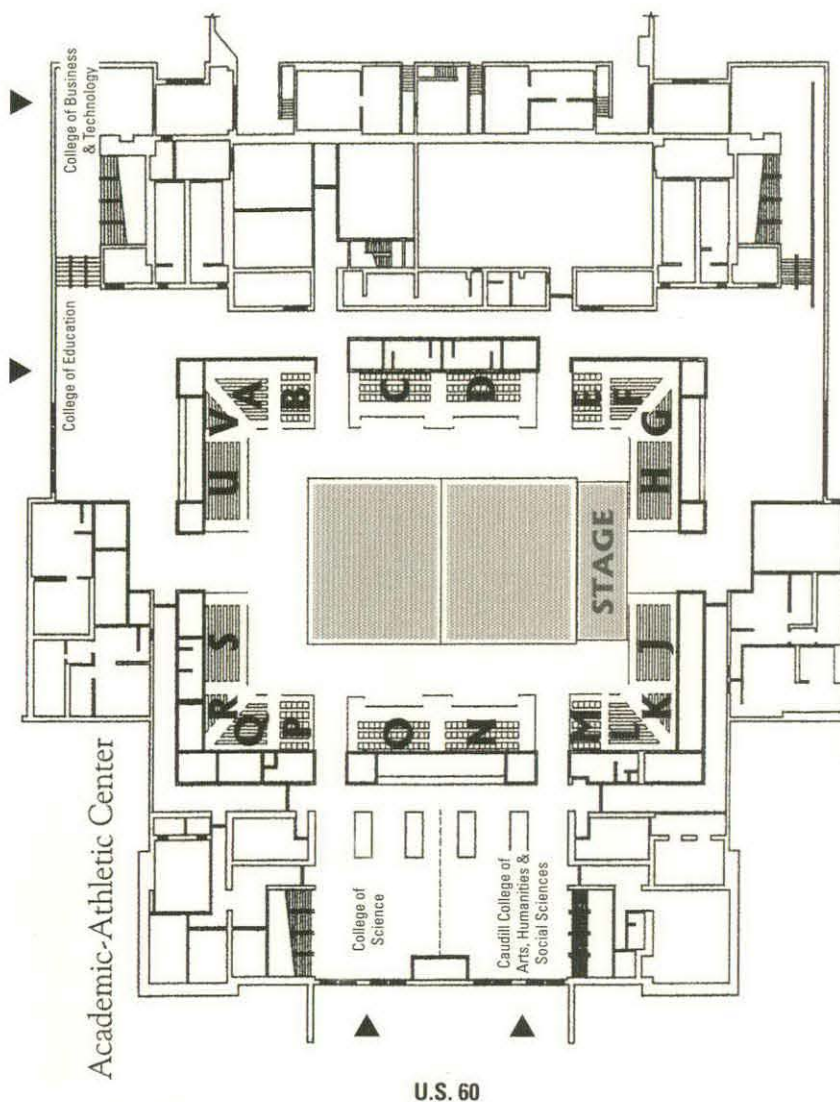

Saturday, December 9, 2017

The Program

Fall Commencement
Saturday, December 9, 2017 -10:30 a.m.
Academic-Athletic Center

Processional	Pomp and Circumstance by Elgar Mr. William A. Murphy, Piano
Special Music	Mr. Will Young

Safety Notices

To ensure your safety during today's ceremony, please take note of the following:

1. Smoking, lighters, and open flames are not permitted in the arena at any time.
2. Locate your nearest exit. In the unlikely event of an emergency, follow the directions of the event staff and ushers. Do not follow the police, they will be going to the scene of the emergency. You will be directed to a safe area away from the arena.

Ushers serving for today's ceremony are members of the Pi Kappa Alpha Fraternity. The ushers are wearing blue robes.

College Receptions

Refreshments for graduates and their families, hosted by each college's dean and faculty, will be served immediately following commencement. For reception locations, please refer to the map located on the inside back cover of your program. Receptions are co-sponsored by the MSU Alumni Association Inc.

Nondiscrimination Statement

Morehead State University is committed to providing equal educational opportunities to all persons regardless of race, color, national origin, age, religion, sex, sexual orientation, gender identity, gender expression, disabled veterans, recently separated veterans, other protected veterans, and armed forces service medal veterans, or disability in its educational programs, services, activities, employment policies, and admission of students to any program of study. In this regard the University conforms to all the laws, statutes, and regulations concerning equal employment opportunities and affirmative action. This includes: Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Executive Orders 11246 and 11375, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistance Act of 1974, Age Discrimination in Employment Act of 1967, Sections 503 and 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, and Kentucky Revised Statutes 207.130 to 207.240; Chapter 344 and other applicable statutes. Vocational educational programs at Morehead State University supported by federal funds include industrial education, vocational agriculture, business education, and the associate degree program in nursing. Any inquiries should be addressed to: Affirmative Action Officer, Morehead State University, 301 Howell-McDowell Administration Building, Morehead, KY 40351, 606-783-2097.

Academic fields may also be indicated by the color of velvet on the doctoral gowns; three two-inch bars on the sleeves and a five-inch border extending from the back of the neck down the two sides in front. For the degree of Doctor of Philosophy, the color is dark blue; for Doctor of Medicine, green; for Doctor of Education, light blue; for Doctor of Science, golden yellow. These colors also appear in the velvet of the hood unless the hood represents an honorary degree. The Doctor of Laws has purple velvet. The Doctor of Humanities is white, as is the Doctor of Letters. The Doctor of Public Administration has a hood with velvet in pale aqua.

Caps are black. Tassels are usually black for bachelor's and master's degrees, gold for doctorates. Gowns for bachelor's and master's are plain black, but sleeves of the latter are short with "trailing elbows." Doctoral gowns of European universities are usually very colorful. The caps are often of some soft material such as velvet and are ordinarily not of the conventional mortar-board shape. Several examples may be seen in the University faculty:

Arts, Letters, Humanities - white

Commerce, Accountancy, Business - drab

Education - light blue

Engineering - orange

Fine Arts - brown

Journalism - crimson

Law - purple

Library Science - lemon

Medicine - green

Music - pink

Nursing - apricot

Philosophy - dark blue

Physical Education - sage green

Science - golden yellow

Social Science - cream

Theology - scarlet

Veterinary Science - gray

Commencement Profiles

Dr. Joseph A. (Jay) Morgan became the 14th president of Morehead State University on July 1, 2017.

He served most recently as the chief academic officer and vice president for the Kentucky Council on Postsecondary Education. In this role, he provided leadership for statewide academic affairs, academic strategic planning, academic legislative and policy development, diversity programming, student success/college readiness initiatives, e-learning, research and innovation, and federal and state grant administration. Additionally, he oversaw and provided linkages for state trust fund financial administration. He also served as a liaison to other governmental agencies and foundations, and worked with legislative groups and initiatives.

Dr. Morgan received his Ph.D. degree from Oklahoma State University and his B.S. and M.S. degrees from Murray State University.

His prior experience includes service as a high school teacher and coach, an entrepreneur, a university professor, graduate program coordinator, leadership program coordinator, university faculty regent, associate provost, and provost before joining the Council on Postsecondary Education.

He serves as a board of trustee member of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) overseeing the accreditation of higher educational institutions in the southern states. He is a board member of a medical university, has held seats on several foundation boards, vice chair of the Kentucky Teachers Retirement System Board of Trustees managing over \$18 billion in financial assets, a bank board member, and has formerly served on the Kentucky Educational Professional Standards Board. His public service includes serving four terms as an elected member of a city council, board president of a chamber of commerce, board chair of the United Way, was formerly named Citizen of the Year, is a Rotarian and has been involved with economic development. He has taught, worked and traveled in more than 15 countries.

Dr. Morgan is married to Amber M. Morgan, a school guidance counselor, who holds a master's and educational specialist degree; they have three children and reside on campus in the President's Home, which is listed on the National Register of Historic Places.

Commencement Profiles

Lindsay Childs of Hillsboro is the student speaker for Morehead State University's Fall Commencement ceremony.

She is the daughter of Jeff and Cindy Childs and the sister of Christi Childs.

A graduate of Fleming County High School, where she graduated summa cum laude, Childs is a candidate for a Bachelor of Science in Computer and Electronic Engineering.

She has maintained a 3.786 grade point average and received the 2017 Outstanding Computer and Electronic Engineering Student Award. She held the position of president for the Society of Manufacturing Engineers for the MSU Chapter. She is also a member of the Association of Technology, Management, and Applied Engineering (ATMAE).

While attending MSU, she worked as an Undergraduate Research Fellow.

Aside from school activities, she enjoys playing the piano and is very active in her church.

After graduation, Childs will attend Morehead State to complete her Master of Science in Engineering and Technology Management while working as a graduate assistant.

Academic Costumes

The wearing of academic costumes is a custom that goes back to the Middle Ages. Since the early European and English universities were founded by the church, the students and teachers were required to wear distinctive gowns at all times. Although the custom was brought to this country in Colonial days, the requirement for students was soon dropped. The custom for professors was confined to special occasions such as graduation exercises and inaugurations of new presidents. With the increase in the number of educational institutions and the development of new subject-matter fields, some confusion arose in time about the type of gown and the specific color to denote various degrees. To introduce desirable uniformity and set up a clearing house for new developments, a commission representing leading American colleges produced The Intercollegiate Code in 1895. In 1932, a national committee of the American Council on Education revised this code into The Academic Costume Code. It was revised in 1959. Although not obligatory, most of the educational institutions in the country follow it in awarding their degrees, earned and honorary.

The most significant part of the academic dress is the hood. The color of its velvet border indicates the academic field, and it is lined with the color or colors of the institution granting the degree. The hoods of those receiving a Master of Arts or an honorary degree of Doctor of Letters have those same color indications, but each successively higher degree carries with it a longer hood. The doctoral hood also has side panels on the back.

Although most doctoral gowns are black with black velvet bars and panels, in some cases the color of the gown is that of the university conferring the degree. All such gowns have black bars and panels.

The University Mace

The practice of carrying a mace in academic processions dates to medieval times in England when a person bearing a mace, a formidable weapon, walked in front of the highest-ranking official as they entered and departed ceremonial occasions, to protect him or her from personal injury.

As adapted by European and American universities, the mace has become a symbol of office to the institution's president and is carried by a distinguished member of the faculty. At Morehead State, the joint office of faculty grand marshal and mace bearer is held by the current recipient of the Distinguished Teacher Award.

The mace of Morehead State University was fashioned from Eastern Kentucky walnut in 1984 by John S. VanHoose, a retired faculty member from the Department of Industrial Education and Technology.

Academic Honors - Baccalaureate Degree

Summa Cum Laude - With highest honors

Magna Cum Laude - With great honors

Cum Laude - With honors

Academic Honors - Associate Degree

Distinction - With distinction
